"We have barely scratched the surface of the potential economic impact this valuable resource has on Ohio's rural citizens; we are excited about the continuous exploration of all this database has to offer."

-Susan Pieper, Director  
Paulding County Carnegie Library, OH

"Whenever I have made presentations on LearningExpress Library to various groups, people are amazed at the content available to them—especially the GED® courses and GED® practice tests."

-Amy Duernberger, Electronic Resources Management Librarian  
South Carolina State Library, SC

"A school district employee told me, 'LearningExpress Library is a TREMENDOUS asset.' The prescriptive tutorials and Job Skills courses are very valuable to AT-RISK students. The e-Book library provides tons of resources for core content teachers."

-Ruth Thompson, DISCUS Training Coordinator  
South Carolina State Library, SC

"With the Job & Career Accelerator, jobseekers have the tools to make informed career decisions to achieve employment success. It's free, easy, and convenient to access from a library or home."

-Jennifer Forman, Librarian  
Snohomish Library, WA

"While I see Job & Career Accelerator as a great tool to help a job seeker in their job search from start to finish, I really like that customers can pick and choose what aspect is most important for them."

-Jennifer Greb, Librarian  
Tulsa City-County Library, OK

"LearningExpress offers a wealth of helpful tools, from test preparation to academic skill building and career guidance. I highly recommend that all libraries take advantage of these wonderful resources!"

-Marian Peterson, MLIS Adult Services  
Walker Memorial Library, ME

"A nursing student came to the library wanting a nursing exam prep book. I showed her how to access the tests in LearningExpress Library. She was delighted to start preparing immediately, instead of waiting for an interlibrary loan."

-Steve Axtman, Librarian  
North Dakota State Library, ND

"As a new Director, I've found the LearningExpress Library to be an invaluable resource for the library. The resources—including the testing tutors—and the computer help guides are an essential part of collection development."

-Robert Antill, Director  
Carroll County Library, NC

"We use [Job & Career Accelerator] to help our community locate jobs, write resumes and cover letters, and find career information. These types of tools make a real difference in the lives of our patrons."

-Jane Blackburn, Library Director  
Braswell Memorial Library, NC

"Using Job & Career Accelerator is very user friendly; I have used LearningExpress with patrons for a long time and find that this newest electronic resource is very intuitive and easier to use than many other electronic resources."

-Wendy Mutch, Librarian  
Oxford Public Library, MI

# Library Customer Testimonials

"One man came in asking for GED help. I got him set up with LEL and he was so happy he kept shaking my hand and thanking me. It definitely helped him a lot."

-Leanna Chappell, Librarian  
Swanton Public Library, OH

"It's easy to use, and gives those who use it a tremendous advantage over those who try taking these tests unprepared. It is really nice knowing you can pass the test before you walk in the door."

-Kim Frazho, Technology Coordinator  
Houghton Lake Public Library, MI

"I would personally recommend Job & Career Accelerator. The 'Resume Builder' saves time and helps patrons understand all aspects of the job search."

# Library Customer Testimonials

"In March I showed LearningExpress to an after-school group consisting of parents, children, and teachers... they were very excited. That is the biggest response I've ever had for a state database, and a good example of three different types of patrons who will use it!"

-Lianne Flax, Adult Services Librarian  
Arkansas City Public Library, KS

"We've been using LearningExpress products for over three years, and once a customer is introduced to them they find them extremely valuable. We just added the computer skills module and we already have people signed up to come in and learn how to use them."

-Susan Walters, Director  
Vinita Public Library, OK

"By providing the residents and libraries with this product [Job & Career Accelerator], it will jump-start the whole job hunting process and hopefully it will translate into more jobs."

-Deb Biggs Thomas, Michigan eLibrary Coordinator  
Michigan State Library, MI

"I cannot say enough about the benefits of LearningExpress—we refer our customers to LearningExpress for all their testing needs. It is especially helpful to our rural clientele since using LearningExpress eliminates costly travel to study sites."

-Linda Slaninka, Director  
Swanton Public Library, OH

"I love LearningExpress Library! One of my favorite features is 'Learn a Test', because it helps so many of our students be able to practice the GED. I personally used LE to study for the GRE, and I got into graduate school! It's a wonderful resource."

-Beth Lyle, Literacy Coordinator  
Pioneer Library System, OK
